Task one

Write a paragraph in one of the following topics:

- 1- How often you do a sport or
- 2- How often you visit a family member

I play football a lot because it's fun and keeps me moving. After school, my friends and I often kick the ball around. On weekends, we have bigger games at the field. It's not just about exercise; it's also a way to have fun with my friends and get better at playing. Football makes me feel good, and I really enjoy playing it often.

Visiting a family member is really nice. It means spending time with people you love, like grandparents, cousins, or aunts and uncles. When you visit, you can talk, play games, or share stories. Sometimes, you might even have a delicious meal together. It makes everyone happy and helps you feel close to your family. Whether it's a weekend visit or a special occasion, these moments create warm memories and a strong bond with your family members.

Write a diary entry about a trip to the River Nile.

7 March

Today was incredible! I went on a trip to the River Nile, and it was wonderful. We sailed on a felucca which is made of wood, and the breeze made it so re axing. The view of the Pyramids of Giza was incredible – they looked interesting from the water and they were very big. We listened to a lot of music. We enjoyed a delicious meal on the boat – what a day! I had such a wonderful experience and the whole day fe t like a dream.
